Prayers For Fall

Orange - Pray that God uses us to show love to others. Pray for those who are trying to encourage other people to hate, and ask God to change their hearts. Yellow - Pray that God would help us not be afraid. Pray that no matter what scary things we may hear about or see on the news, that we would remember we can trust God no matter what. Pray that God would comfort people who are facing scary things in their life right now. Pray that God would protect people who may be in dangerous situations. Pray that God would protect soldiers and police officers who are trying to protect others.
